PRESENCE button **BCAB-401E**

STAFF CALL button **BCAB-402E**

CODE BLUE button **BCAB-403E**

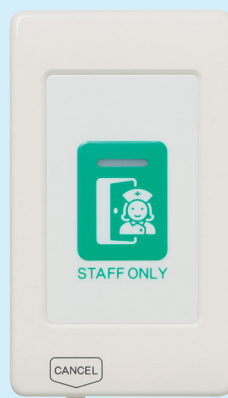

The peace of mind of knowing that all members of the nursing team are always connected.

The PRESENCE button informs the team that a nurse is in the room, the STAFF CALL button requests the assistance of other nurses, and the CODE BLUE button summons all staff in the event of an emergency.

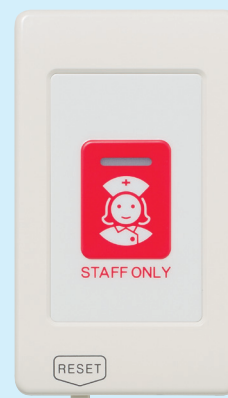

This allows the construction of an environment in which patient safety can be overseen by the nursing team in cooperation with the entire staff of the hospital including the doctors.
